Un nuovo singolo inedito,
una traccia unica nel suo genere.
La riproposizione in chiave elettronica
di sonorità provenienti dall'Africa.
Un mix di suoni scaturito da una pietra
tipica delle zone dell'Angola si divulga
attraverso un'esplosione di tonalità che
ne contraddistinguono la sua particolare
essenza. Solo diviene il nostro EP di
studio del 2017.
IL NOSTRO ASSOLO E PENSIAMO SIA DA PAURA.

A new unedited single,
a unique track in its kind.
A re-proposal, in electronic key,
of sounds from Africa.
A mix of sounds deriving from a typical
stone of the Angolan areas reveals itself
through an explosion of shades that
distinguish its particular essence.
This became our 2017 EP study.
OUR ACE, OUR WINNER.
